An adventure unlike anything available at home!

Thundercross Valley Dirt Bike Park offers a unique opportunity to enjoy the delights of dirt-biking in a fully-supervised environment with experienced instructors and a bike to suit your size and skill-level (some 4-wheel quads are available).

No matter your age or fitness level, we will teach you to ride the bike independently around our beautiful private Park. Set in 750 acres of rolling Waikato countryside, Thundercross has been the location for TV commercials and movies. We are just an hour from Auckland airport to the north, Hamilton to the south and 1.5 hours from Hobbiton.

**AVAILABILITY:** Wednesdays and Fridays  
(Thursday, Saturday, Sunday by arrangement)

## ABOUT THUNDERCROSS VALLEY DIRT BIKE PARK

James Fowlie, the owner and founder of Thundercross, originally built the dirt-bike tracks on his farm so that his teenage children could have somewhere to practice and progress their dirt-biking skills. The tracks were opened to the public in 1999 and have been popular with locals, domestic visitors and international visitors ever since.

James, his daughter and son are all champion dirt-bike riders with a cabinet full of trophies. They are experienced tutors and you will be in safe hands. His partner, Mandy, will take care of your booking and look after your needs, as your hostess, on the day.

James and the family look forward to welcoming you at Thundercross soon.
